

**Course title:** The EU Internal Market and Beyond  
**Instructor:** Daniele Gallo – dgallo (at) luisss (dot) it  
**Home University:** LUISS  
**Office hours:** upon appointment via online and webex  
**Co-Chair:** Dimitry Kochenov

### **Course outline (10 hours + further 10 hours by Dimitry Kochenov)**

The course constitutes the completion of the EU (institutional) law course.  
At the core of the course lie the freedoms of movement.  
Dimitry Kochenov will teach about free movement of workers and citizenship in the EU.

### **Course methodology**

Classes will consist primarily of seminar discussions. All students are expected to read the required materials for each class in advance and be ready to engage in a critical discussion with each other and with the instructor, who will ask questions and seek reactions from students throughout the course.

### **Assessment**

Students will be evaluated on the basis of both class participation and a written assignment. In this respect, they are required to write a paper of (up to) 3000 words on a topic to be selected from a list put forward by the instructor during the course (footnotes included, references excluded).

#### **I. Origins, Notion and Development of the EU Internal Market.**

February 20, 16-18.
